Brad Rutledge appointed as Director, Wolseley Industrial Canada

BURLINGTON, Ont. — Wolseley Canada is pleased to announce the promotion of **Brad Rutledge** to the position of **Director, Wolseley Industrial Canada**.

Brad joined Wolseley Canada in 2018 as National Quotation Manager and progressed through numerous roles including Branch Area Manager in Alberta, and most recently, Senior Manager, Industrial for Western Canada.

In his new role, Brad will be responsible for driving growth for Industrial across Canada with new and existing customers through the sales and branch teams. Brad and his team will also continue to partner with Ferguson Industrial to provide customers with a coordinated cross border solution.

“Brad is an integral member of the leadership team,” says Chris Choquette, VP Western Canada. “His experience will help grow our market share and national focus on our Industrial business.”

About Wolseley Canada:

Wolseley Canada is a market leader in the wholesale distribution of plumbing, heating, ventilation, air conditioning, refrigeration, waterworks, fire protection, pipes, valves and fittings and industrial products. With its head office in Burlington, Ontario, the company has approximately 2,500 employees and more than 220 locations coast to coast. Wolseley's team of sales and service specialists, an industry-leading e-business platform, **Wolseley Express**, and relationships with the best vendors and brands in the business, make Wolseley the professional's choice across the country.

Wolseley Canada's parent company, **Ferguson plc** is the world's largest trade distributor of plumbing and heating products and a leading supplier of building materials. Ferguson plc is listed on the London Stock Exchange (LSE: FERG) and on the FTSE 100 index of listed companies.
